

PARKING TAX RETURN

Issued by the South Coast British Columbia Transportation Authority ("TransLink")
Under the South Coast British Columbia Transportation Authority Act

Business Number	
Registration Number	
DUE DATE	
<i>To avoid penalty & interest, see above</i>	
Period Covered	

NO tax collectable in this period? You must still file a "NIL" return.

Mail or fax (778) 375-7828 **both sides** of this Remittance Form to TransLink. Financial institutions WILL NOT accept "NIL" returns.

To avoid penalty and interest your return and payment must be:

- received and dated on or before the due date by a financial institution, or
- if mailed, couriered, or hand delivered, received by TransLink on or before the close of business (4:00 pm) on the 23rd of the month following the end of your reporting period to be considered on time. Returns postmarked but not received by the due date are not on time.**

If your payment is to be paid via ATM/Teller at a financial institution, or processed online from your bank account, you will still need to submit your Remittance Form by mail or fax to TransLink on or before the due date for our processing. Mailing address and fax number are listed above.

In all cases, payments must be negotiable on or before the due date.

If your tax return is late, you may be assessed a penalty equal to 10% of the tax due. Commission will be disallowed and interest assessed.

If you do not receive a tax return for a reporting period, you still must pay your parking tax by the date due. Provide all information normally provided on the return. A blank form is available on our website at: translink.ca/parkingtax

Financial Institutions cannot process returns printed off the internet. Mail or hand deliver the return and payment directly to TransLink.

Commission Eligibility:

Each business (legal entity) may claim only one commission for each reporting period, even if it has more than one registration number and files more than one parking tax return. Claim the commission only on the registration number specified by TransLink.
